DEDICATION

Many years ago a Cobbler had a Dream. It was a Dream and a hope that all boys and girls might have a school. So it was, at his death, Thomas Hughes bequeathed all his property, for that purpose, to the children of unborn generations. Since that day in 1851 when the portals of Old Hughes were opened for the first time in order that all might enter, Hughes has risen to prominence and has gained "a place in the sun" through the achievements of her many thousand students.

Man can die, but his soul lives on through eternity. Our Cobbler has never died. If, in the future, we ever achieve our hopes and desires in life, his Dream will have been the source of our success.

All this leads us to wonder, however, about the Cobbler himself. We can only surmise and imagine how he might be struck by the realization of his Dream. If, then, The Great Grantor of dreams were to give us one wish, we would ask that this Cobbler to whom we owe so much, be given one day on earth in order that he might walk the halls that we have walked so many times, visit the class rooms where we have studied, and see how we live and work under this roof of great opportunity.

We know that Thomas Hughes can never return in any mortal manner, but as sure as we are that man has a spirit, we know that he knows of us. It is with this in mind that we dedicate this book to THE COBBLER'S DREAM in order that that spirit might traverse these pages and see the realization of his Dream in the ninety-ninth year of its existence.

you

Loads of Luck and Lots of Love.

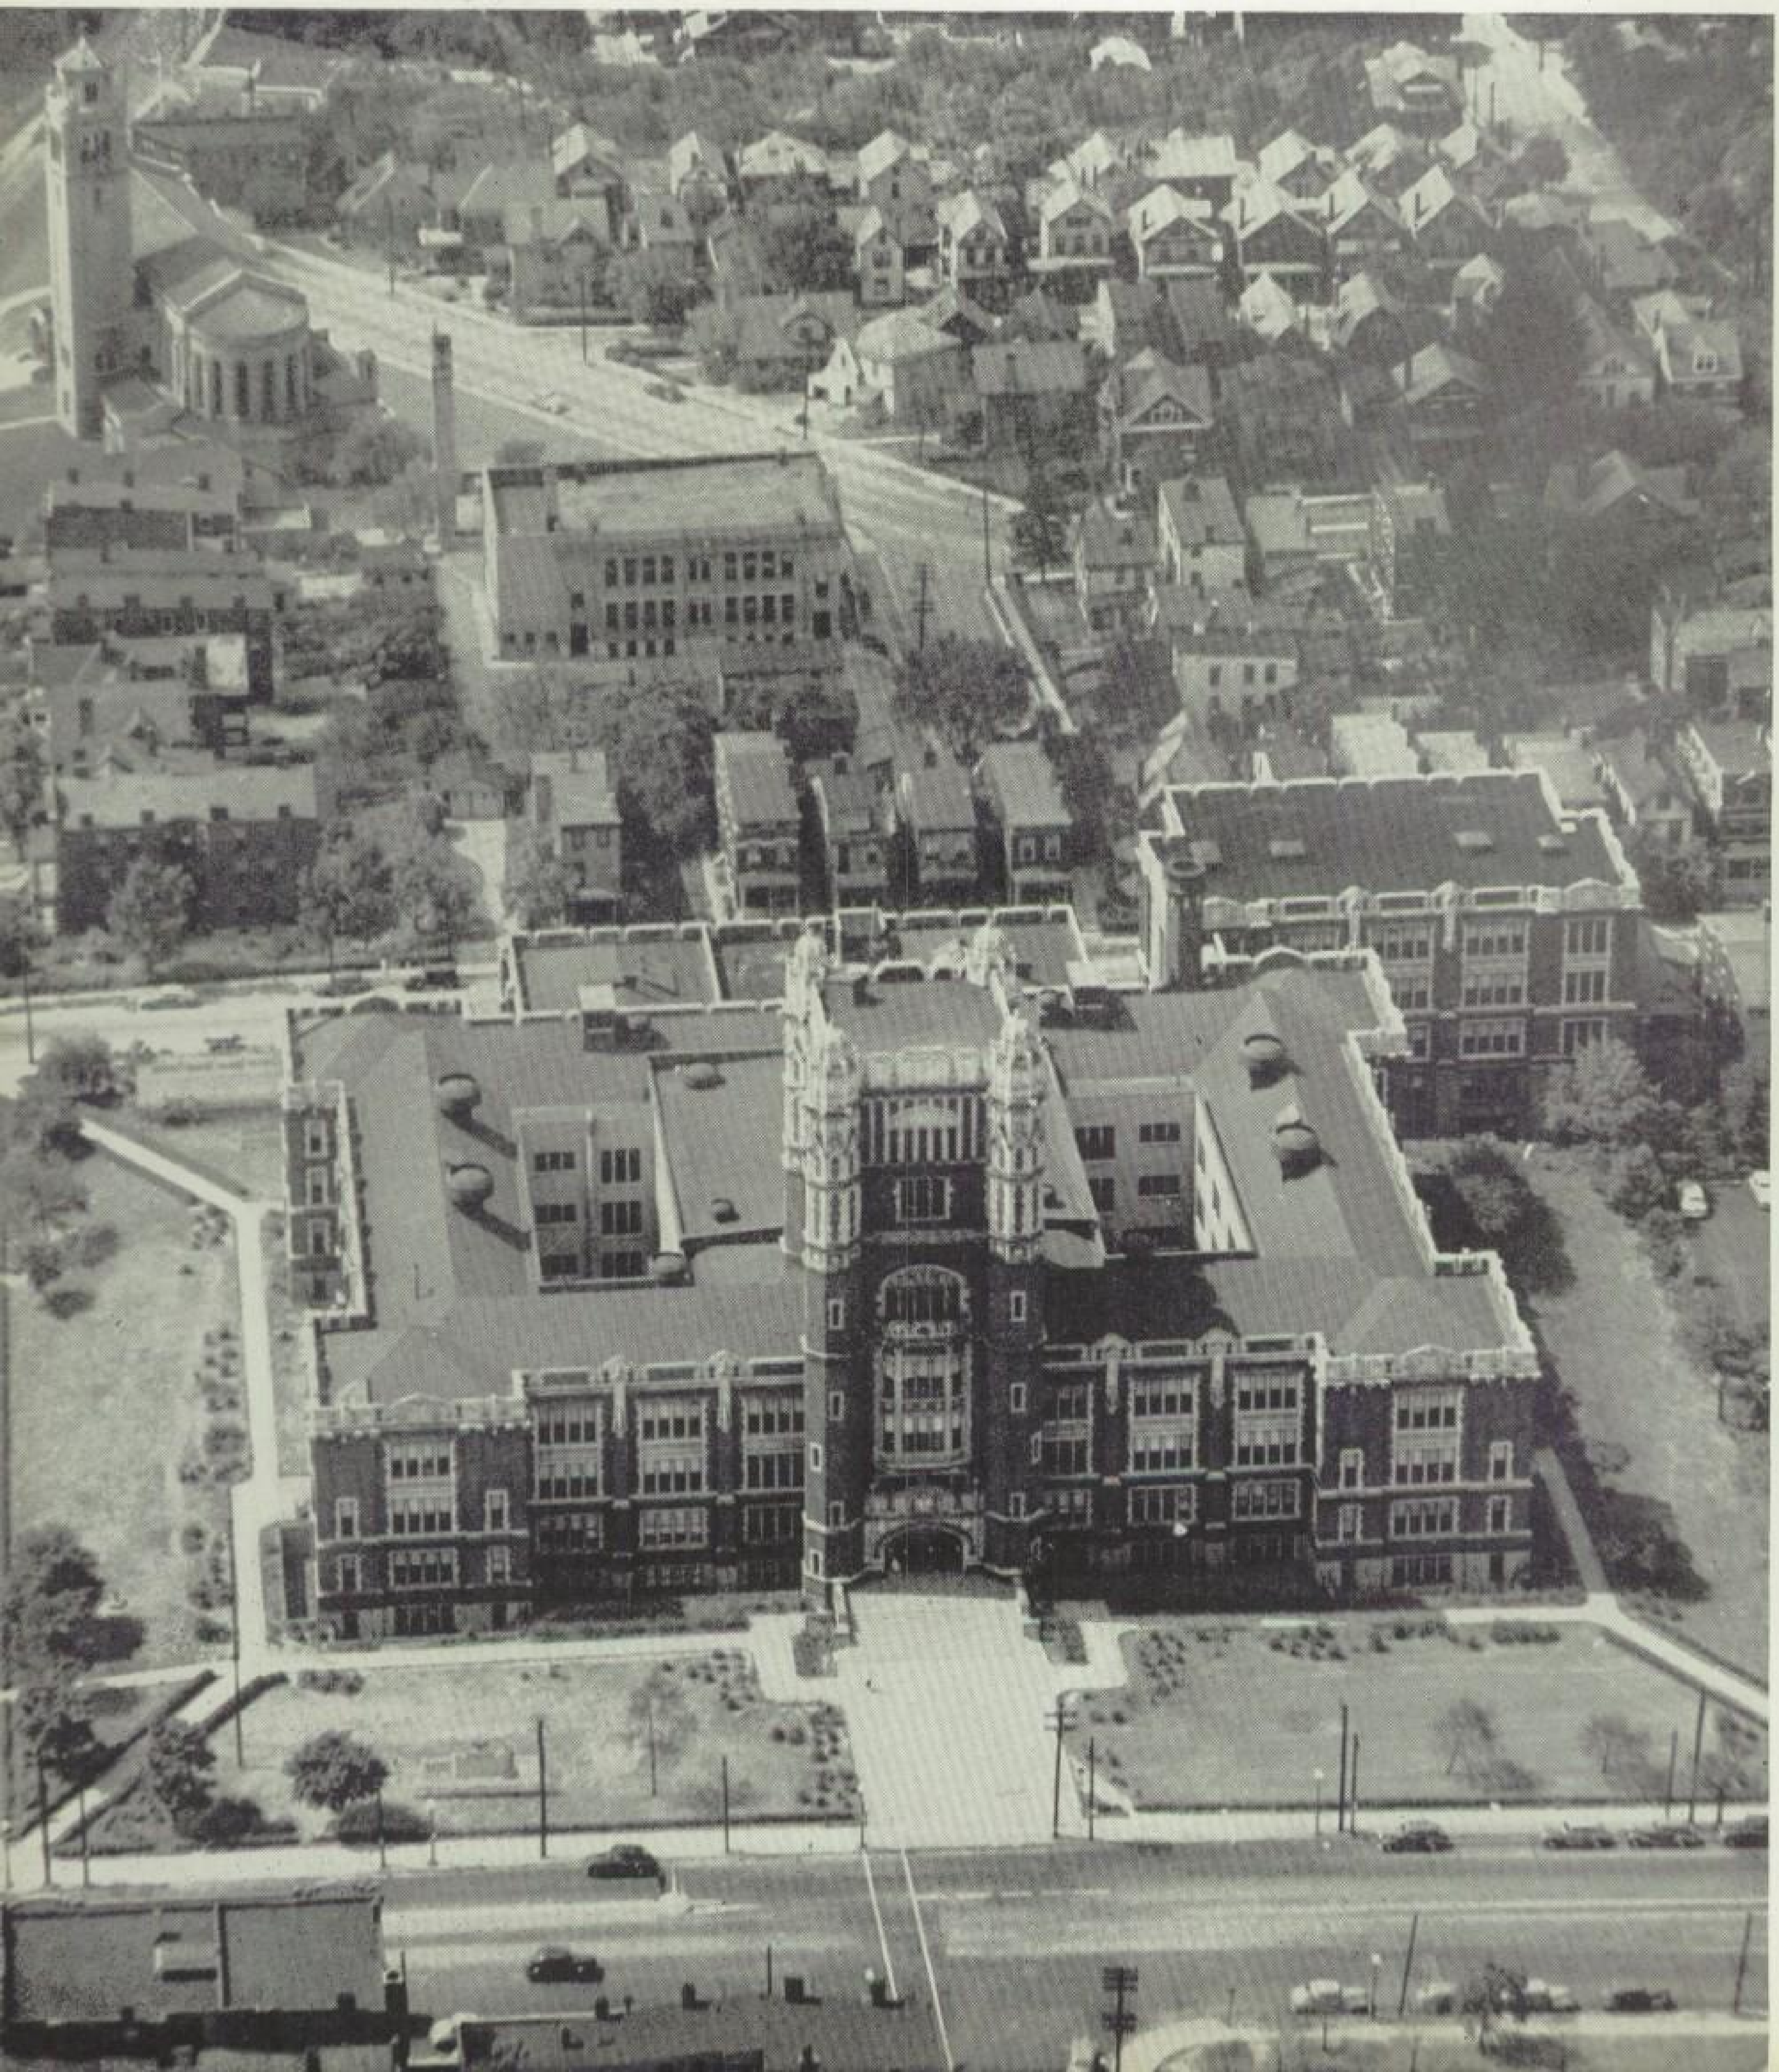
T.N.T.

Introducing a great, sober scene; the climax of a glorious dream.

A lamplight's beam, pierced by the monument of a Cobbler's Dream

A castle from on high, wherein perhaps the sparks of greatness lie.



Window panes view many a thing: joyous, sad, life's panorama in full swing.

To a swell gal.
The best of love
and luck to you.
Janet Lochner
XOX 1950 XOX

The greatness of a man is not measured by the amount of this world's goods that he possesses nor by the height to which he has been able to ascend on the ladder of success. He who would be great, finds his greatness in service to others. The cobbler of whom we write must have dreamed a serious dream of his service to the boys and girls of Cincinnati when twenty-two days before his death he willed all of his property for the education of the poor children of his community. Little did he realize the extent of this dream nor was his vision clear enough for him to see what the future held for those who have been beneficiaries of this will.

Today you can read the history of the school that bears his name through the lives of the men and women who have walked its halls and imbibed something of the desire to serve humanity that permeated his life.

May whatever you do in the years to come bring honor and dignity to the name of Hughes. It is a name inherited from a cobbler who had a dream of what his money could do for the education of the children of Cincinnati. You, who are graduating, will be a part of this dream. You are to add your contribution to its fulfillment. May this contribution bring to you the honor you so richly deserve.

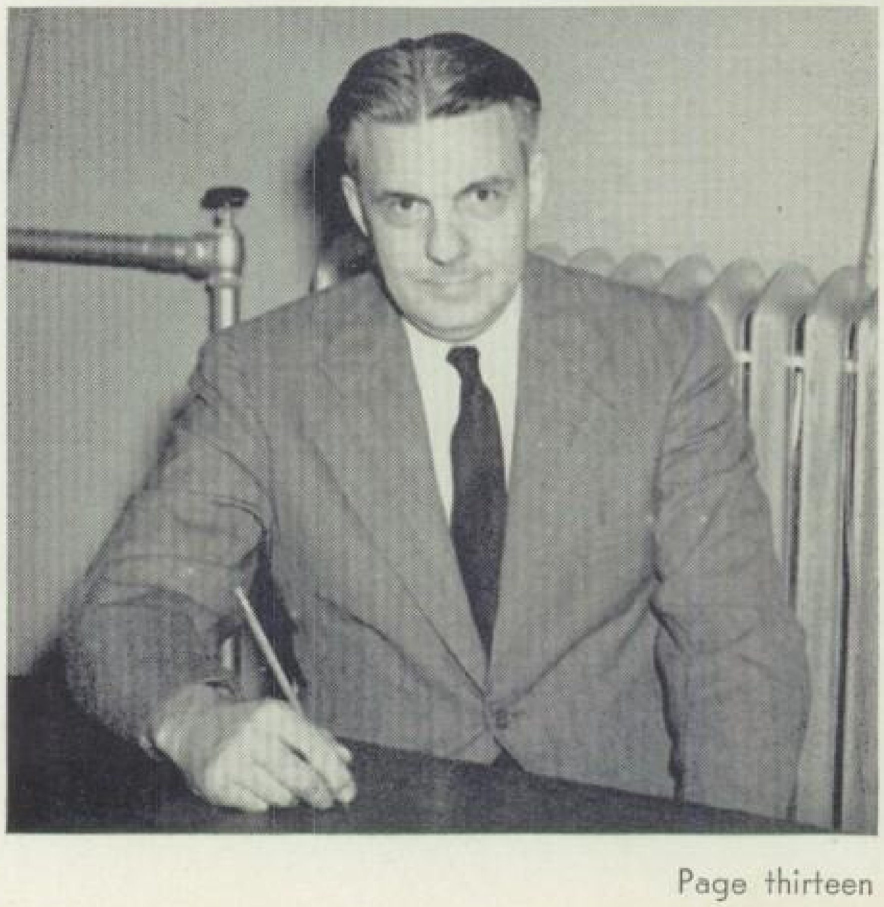
HOW TO CHOOSE A CA
• Study yourself
• Study jobs
• Match your qualification
and job requirements

The school program planned for the aid and guidance of its students, has been carried out with great success. Those who find high school life new and troublesome or meet those swift breezes of adversity, which are not uncommon to all of us, may find competent and enthusiastic advisors awaiting our call. **MISS GLADYS BUSCH** has the delicate task of advising the freshmen girls, who perhaps are bewildered by education on such a large scale. Many an outstanding senior can be grateful for her understanding. Miss Busch also teaches Latin.—**MR. CLYDE HALL** is barely visible each morning when the sophomore, junior, and senior boys come forth with unsigned absent slips. Besides teaching math, he is indispensable to the Annual, serving as advertising and financial adviser. — **MISS MARGARET HALL** bears great responsibility, for she counsels girls on vocations and college.

Councilers and Advisers

B. F. Fulks



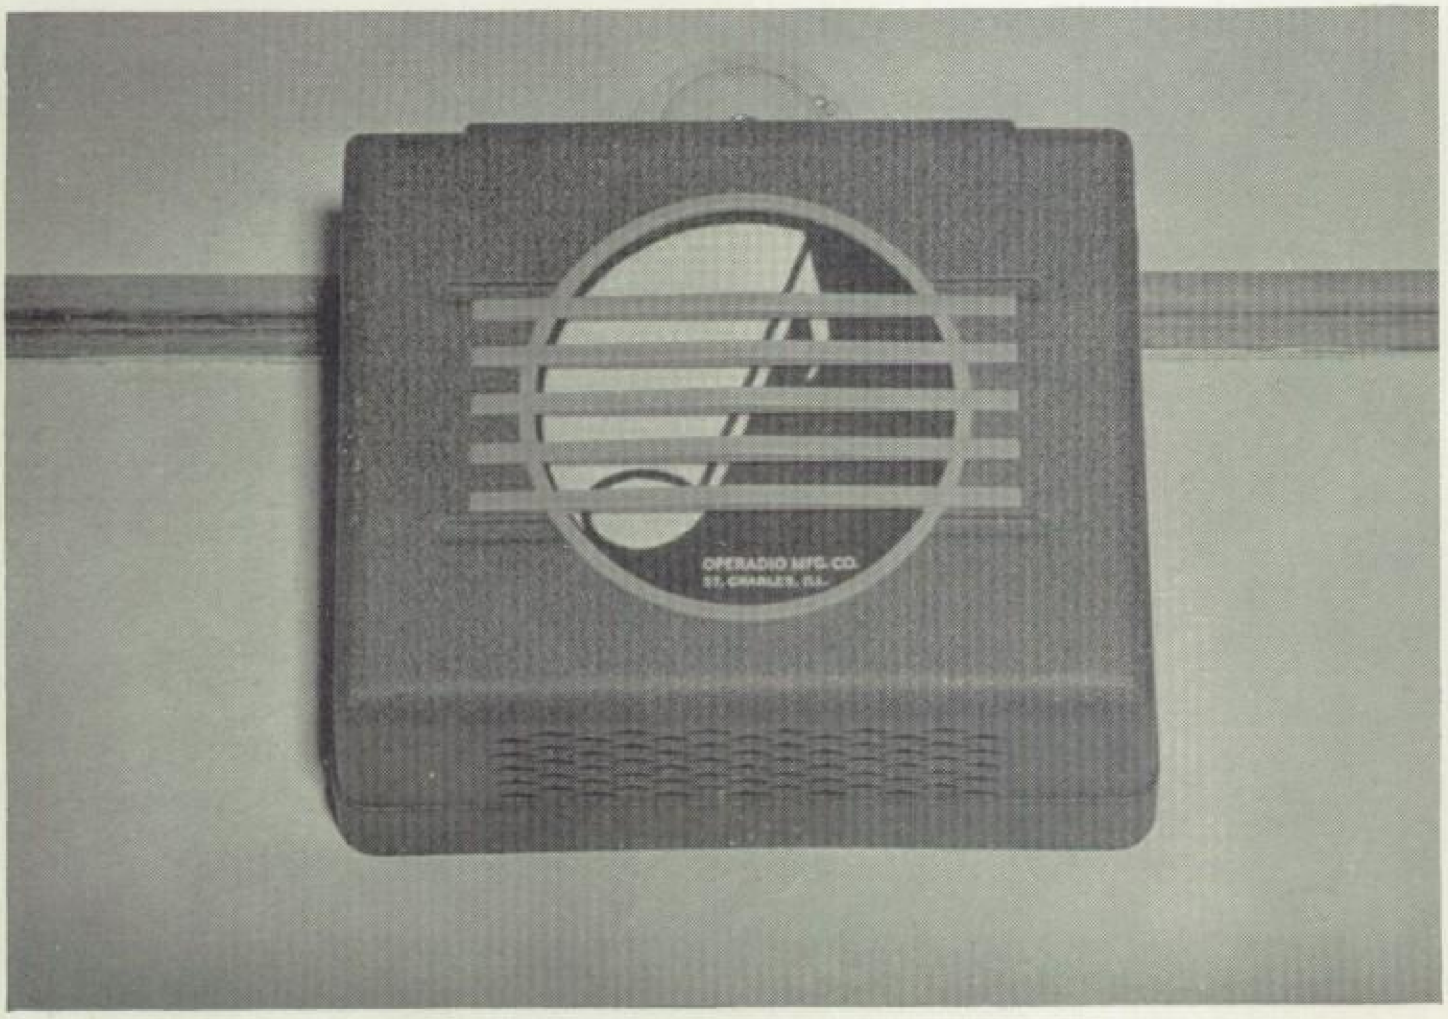
Work for our benefit

MR. BENJAMIN F. FULKES, assistant principal of Hughes High School is never seen without that sparkle in his eye. As faculty advisor to the Hughes Club, an honorary organization for junior and senior boys, his aid and counsel guide them in their projects to raise money for the school. His other duties are too numerous to even fit on this page. — **MRS. EDNA LEROY,** known to both boys and girls as a lady of great warmth and understanding, is the girl's "school mother". She is always on hand to advise, sympathize, and help girls. The Student Council is very fortunate in having Mrs. LeRoy as its sponsor and guide, having advanced far in its fifth year of existence. — **MR. RALPH LOUDENSLAGER,** helps boys choose their colleges and vocations. We, as students, owe a great portion of the success of our high school days to these people.

MISS STELLA ROWLAND

Our secretaries are vital factors in the school program

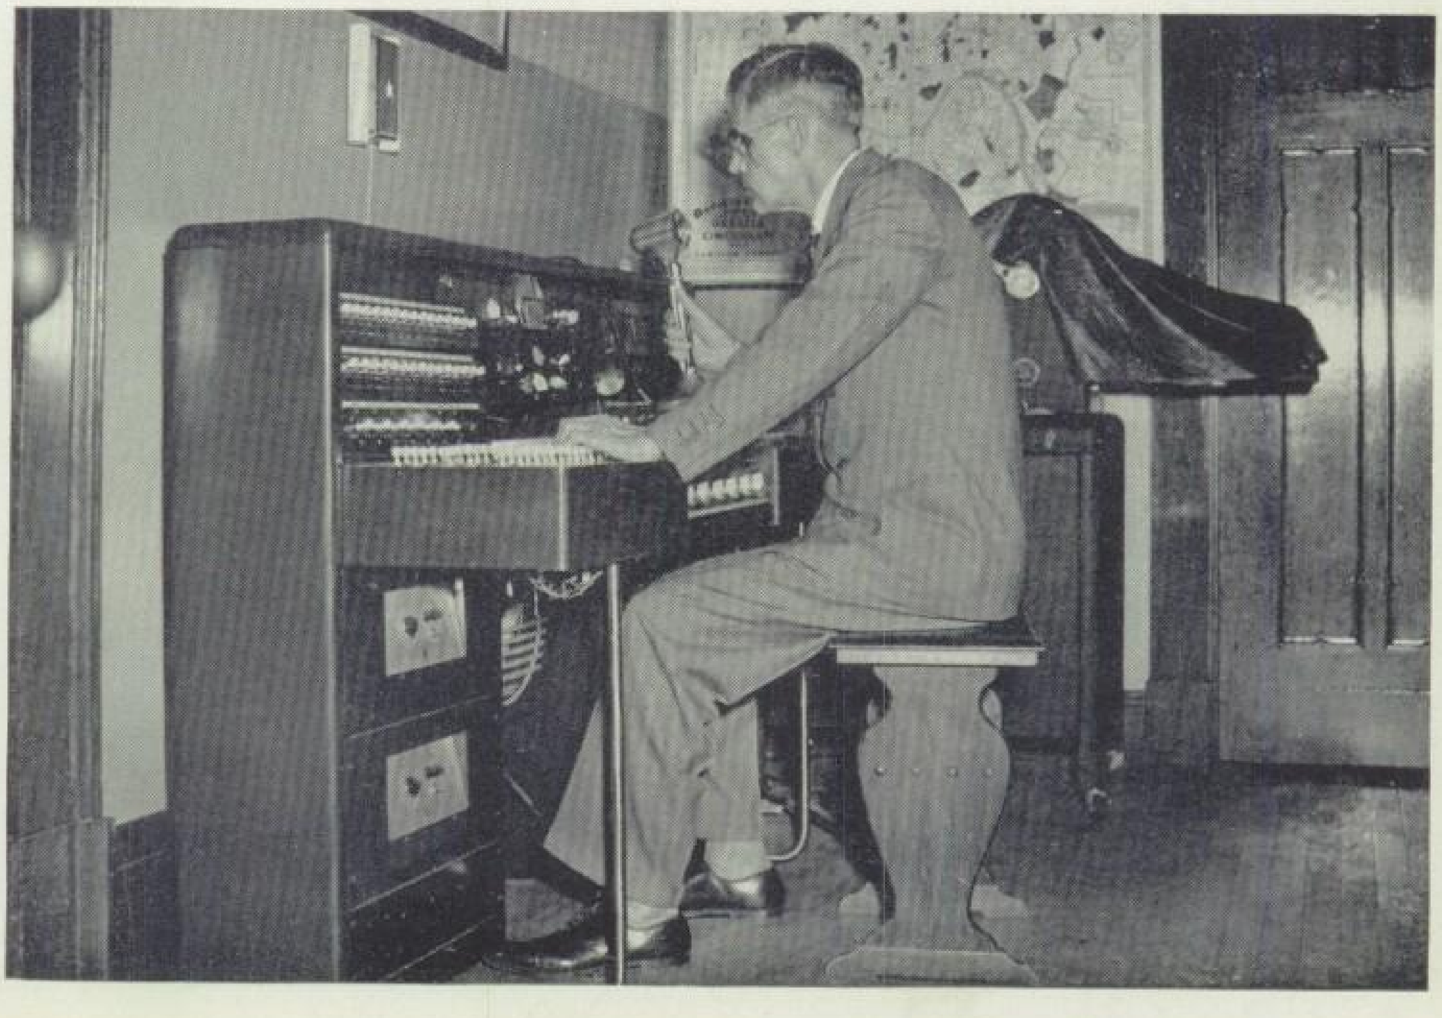
MISS STELLA ROWLAND, school treasurer, is a regular school pal of everyone who knows her. Stella's reliability and efficiency have made her quite necessary for executing office duties. — **MRS. DOROTHY THARP** is also of valuable assistance in the office. Her pleasant face can always be seen in the outer office, where she is kept busy typing, recording and receiving telephone calls. — **MISS ELEANOR KRAMPE** and **MISS CARRIE KOHRMAN,** whose pictures appear in the Faculty Section, are directors in the execution of office policy. We are proud of the efficiency displayed in the offices of Hughes High School.



MRS. DOROTHY THARP

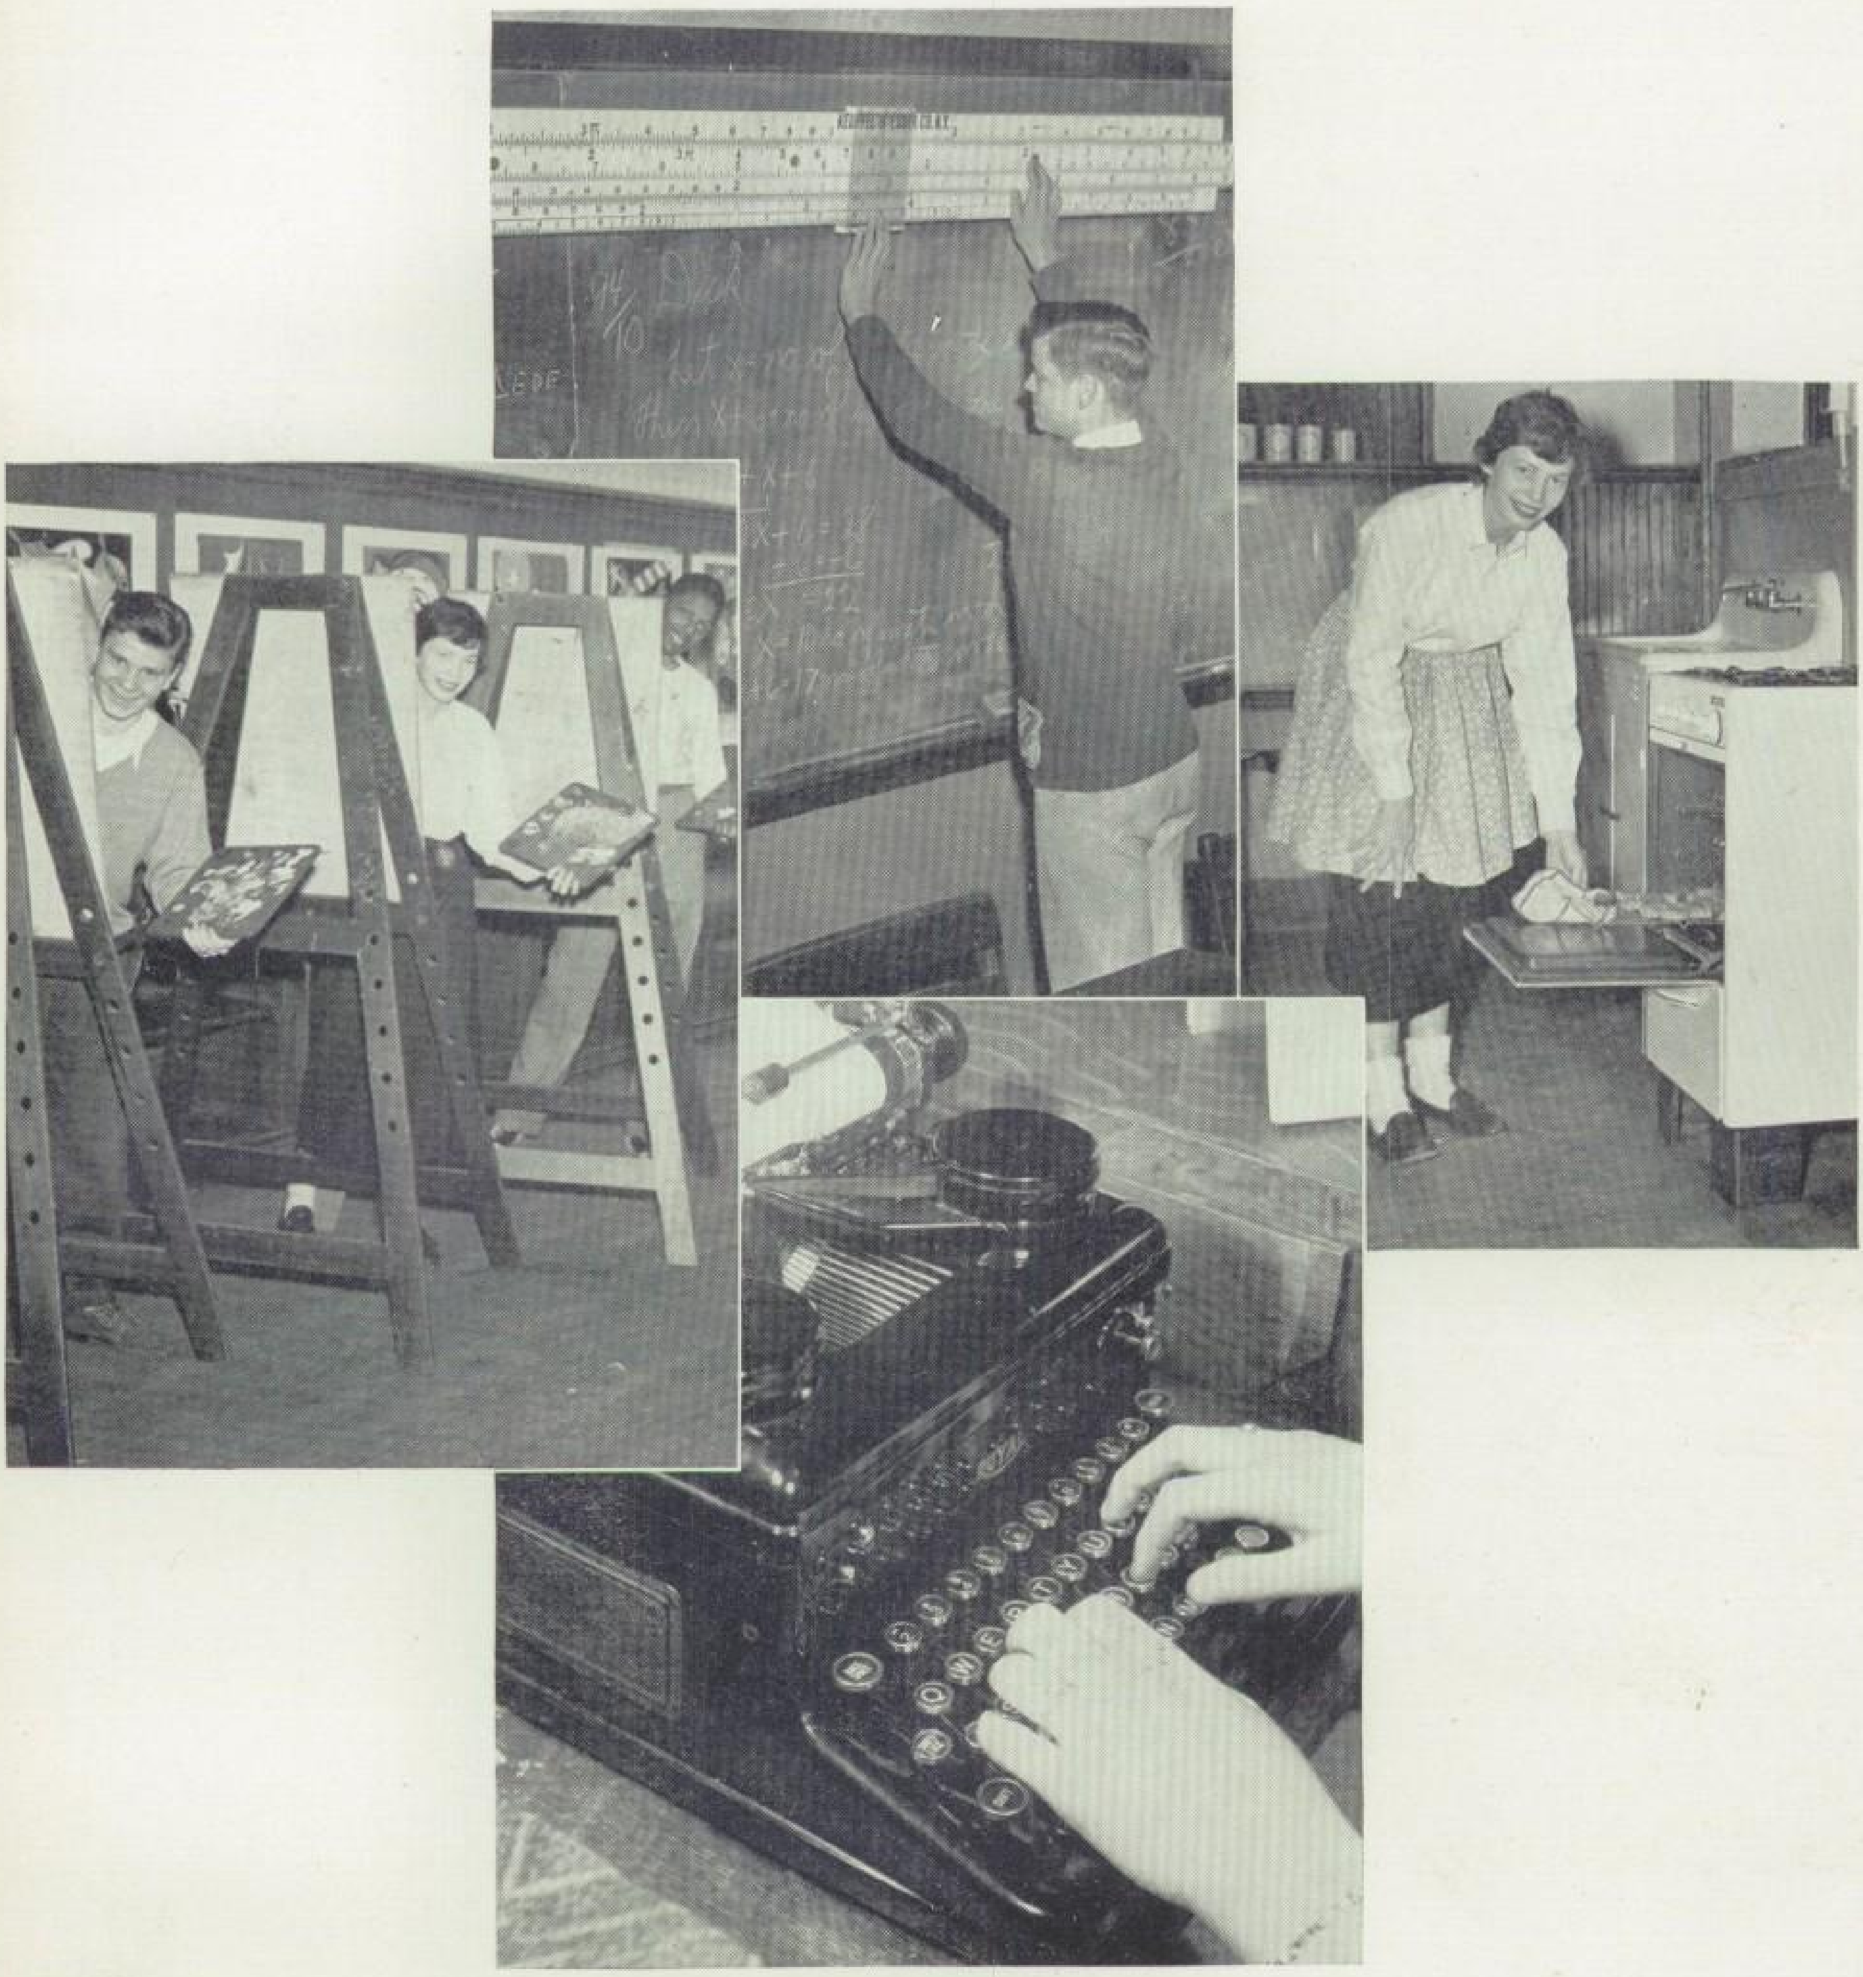
The new public address system aids office efficiency

A most convenient communication device has been installed in the school. As a result, announcements, auditorium programs, and other messages, otherwise impossible or inconvenient to report, can be broadcast to the entire school or to one room by merely talking into the new public address system. This system also serves as a better means of signalling fire drills. There are possibilities which could be molded into an extensive plan including student radio programs, entertainment in the lunchrooms and the broadcasting of important radio programs to the rooms. Every classroom is equipped with a loud speaker, pictured on the opposite page. Below Mr. Kizer is broadcasting from the outer office.



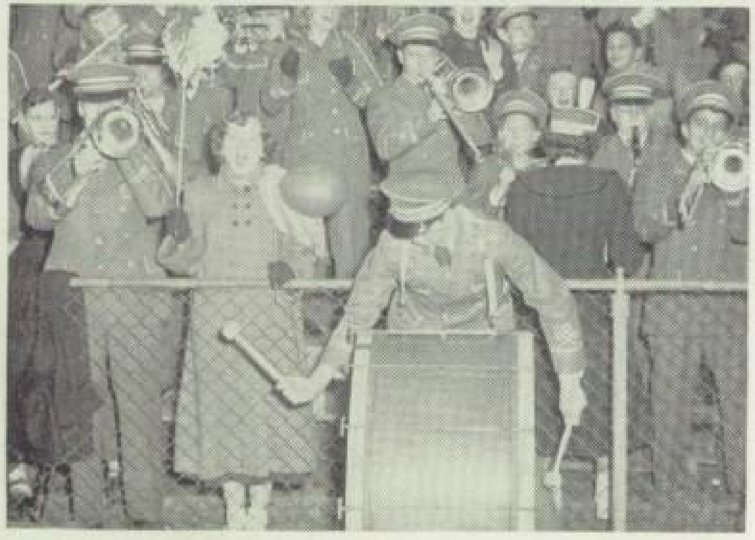
Hughes Life

All through the year we combine work with pleasure in order to net the greatest possible rewards from our Hughes Life. Every little variation helps to make this school life richer. Many of us are rather ignorant when it comes to the industry of wood working, but few of us are unfamiliar with our well supplied, and lovely library. The teachers of Hughes find relaxation in good food in their fine lunchroom. Probably the best known spot in school is the Book Shop, where we all stop and the nickels drop.



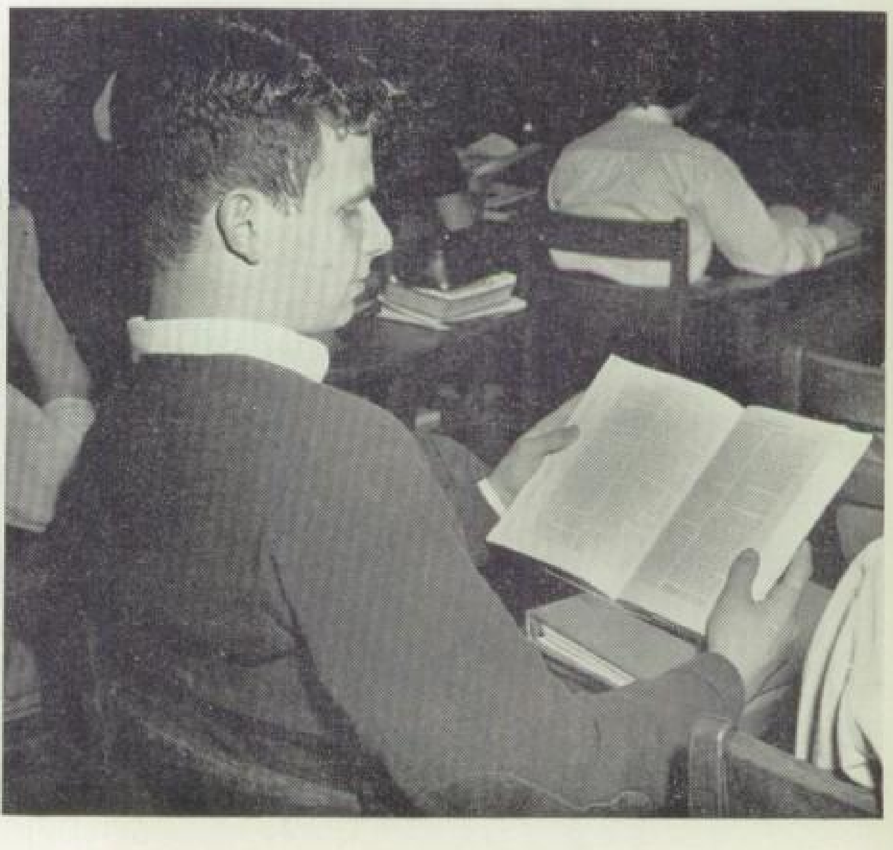
Hughes Life

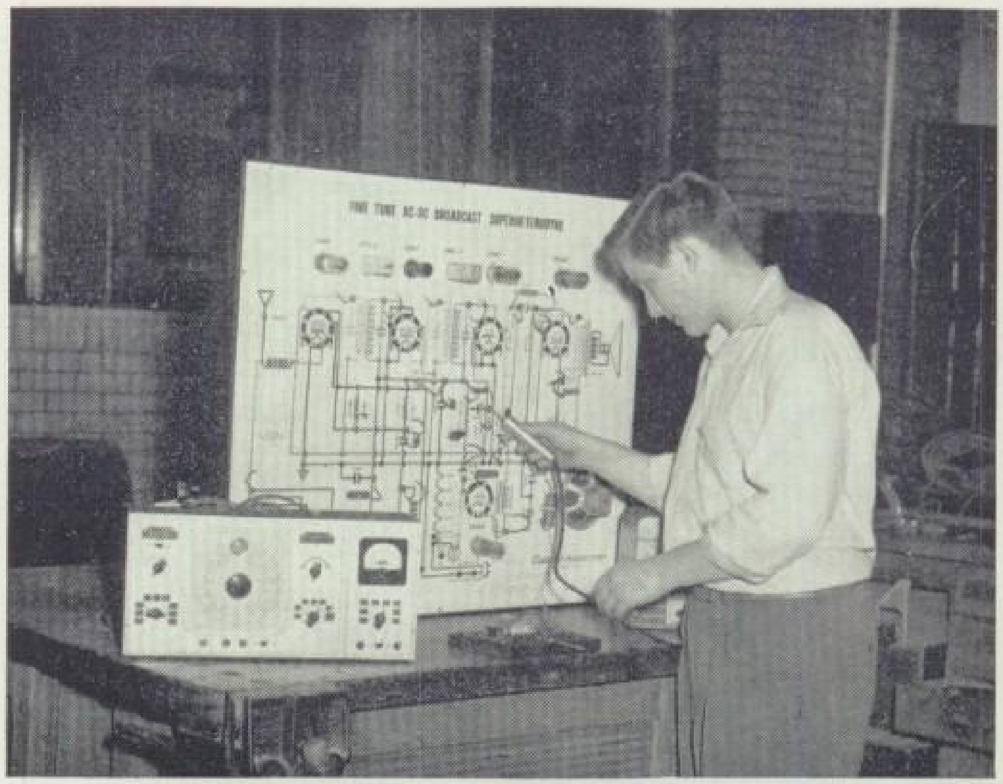
At Hughes we are constantly dubbing through adventures in the realm of learning, where everything is just as likely to be rational as well as irrational and where, often, things are just as void as they are avoided. If math entwines us, art will most certainly bind us. We are astounded and we are dumbfounded—a most amazing feat. We typewrite and we cook right, and therefore, always look right. You see, while this is most confusing and this is most amusing, this really is our Hughes Life.



The Dream Is Right

Nothing could be finer than to be in a Botany class on a fine, spring morning when the prospect of a tour through the woods is in the air. If, perhaps, we don't have the opportunity, then at least we won't miss the fragrance of spring air in famed 106B where history is reckoned and the breezes are beckoned. The band enjoys a good deal of fresh air, too, (seem's like we can't get away from the great outdoors) and their lively rallies are something to hear. When we think of driver's training we prepare for the prevention of a great many unnecessary accidents. English classes provide us with relaxation found in great books and also offer us food for wonder and profound thoughts.





FIVE TUBE AC-DC BROADCAST SUPERHETERODYNE

In Our Hughes Life

This student of electricity looks as if he has already found food enough for profound thought in this complicated apparatus. Many a time we are carried away from our class-room concentration by incomparable odors which originate in the kitchen and which are difficult to resist. Some of us will never resist, never that sweet smell of candy especially if it is being sold by a student from the Hughes merchandising class. Latin, with all its classic dignity, provides us with a firm foundation for other languages besides our own and seems almost necessary for a substantial background. Science laboratory days are spent in exploring the great discoveries of past scientists.

A place to put books and clothing and to meet friends, that's the definition of a Hughes locker.

Before and after school and between classes the front hall becomes the center of social activities at Hughes.

The stairways of Hughes symbolize the "ups and downs" of school life.

Sophomores

After a year's experience, sophomores settle down and . . . .

Student Council, organized five years ago to act as a laison between students and faculty, has accomplished its purpose with great success. Guided by Mrs. Edna LeRoy and Miss Helen Bejach, home room representatives have met monthly to discuss school problems and find methods of satisfactorily solving them.

Projects assumed by the Student Council this year include reclaiming lost books and other articles through the lost and found, furnishing ink for the study halls, and collecting money for the Art League. Student Council plans to use this year's Art League dues toward the construction of drinking fountains in the lunchrooms.

In March Student Council sponsored a good manners contest, presenting Emily Post awards to the winners.

One of Student Council's activities is the sponsorship of the Lost and Found which is located opposite the Library and is open during the lunch hour. STANDING: L. Brockman, M. Ocke, A. Mussman, H. Scherz. KNEELING: L. Bosse.

Honor League

Honor League is a service organization for senior girls of good character who have a scholastic average of 80% or better. Led by Miss Enolia Heile and Miss Aria Parke Schawe, sponsors, and an Executive Board of fifteen girls, the Honor League has many activities during the year. Freshmen become acquainted with Hughes the first few weeks of school with the help of Freshies' Aides. Senior girls also acquire "little sisters" from the freshman class, for whom they give an annual Big Little Sister Party with entertainment in the auditorium and refreshments in the gym. Honor League girls give up study halls to help at the Information Desk or in Mrs. Le Roy's office. For Parents Night and musical productions, the girls act as hostesses and ushers, and they become "Lady Bountifuls" at the Carnival. Service projects outside of school include giving Thanksgiving baskets to needy families and entertaining old folks at the County Home. A Christmas tea for members and their mothers, a talk on Boy-Girl Relationships, and the 112-205 baseball competition in June complete the well-rounded schedule.

One of the oldest and most active organizations of the school is the Hughes Club which this year was sponsored by Mr. Ben Fulks. It is a service club, founded in 1918, which looks for the betterment of Hughes High and the building of good citizens.

Among the Hughes Club's numerous services to the school were the financing of school cheerleaders, purchasing of uniforms for the Gym Team, and the sponsoring of movies after school.

Besides taking part in all school activities, the Hughes Club provided Christmas baskets for needy families and entertainment at the County Home.

The Hughes Club's realm of activities is not limited to service alone. A week-end in Brown County National Park in Indiana, two dances, and a dinner and social function at the "Y" were headline features which helped make 1950 one of the most successful years in the history of the Hughes Club.

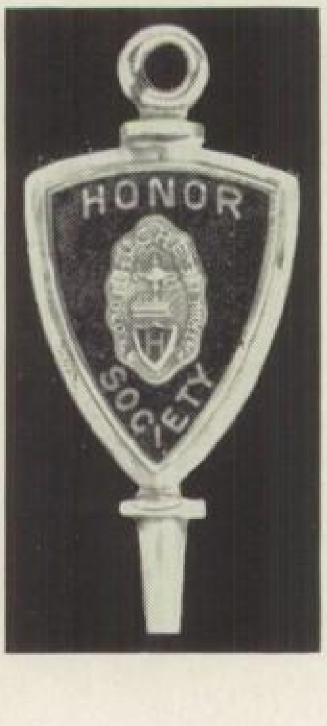
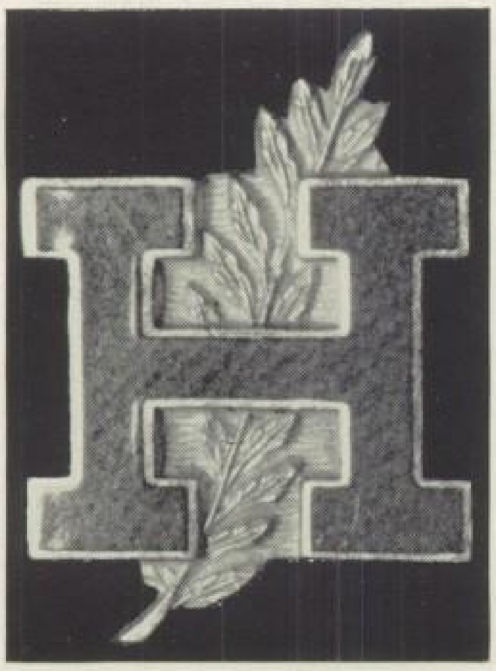
Honor Society

Hughes Honor Society, founded two years ago by Mrs. Edna LeRoy and Miss Helen Bejach, has served as an incentive for Hughes students to work toward high scholastic achievement. Each spring, the seniors who have an average of 90% or more for three and a half years are invited to join the society. Also, six juniors who have the highest averages in their class become members. These six form the executive committee for the following year. In January the Honor Society gave an informal tea for the students of all grades who had been on the 90 Honor Roll the first two terms. In April a dinner and initiation was held for the new members. Seniors who were initiated at this time were: Winifred Bowman, Ann Cors, Betty O'Hara, Angela Zuber, Arleth Dieckmann, Janet Reid, Dorothy Lefler, Nancy Ludwig, Gail Beckner, Amelia Mattson, Virginia Reuthe, Betty Diettert, Patricia Roberts, Doris Blersch, Arthur Mussman, Stamatia Stefanopoulos, Nan Hart, George Feiler, Marilyn Kiefer, Mary E. Cerweny, Margery Ritsch, Jacqueline Slaughter, Edward Raick. The six juniors initiated were: John Redfield, Susan Hammelrath, Anna Gerhart, Janet Hoffmann, Bill Friend, and Paul Blackburn.

These six seniors formed the Executive Committee of Honor Society. Left to Right: Bill Goering, Gail Oesper, Beverly Dickson. Top to Bottom: Carol Smith, Mary Maddux, Lois Kash.





H-CLUB OFFICERS: Irv Bass, Treasurer; Ed Morris, Vice-President; Mr. Kindschy, Sponsor; Rick Marrs, President; Ralph Robison, Secretary.

H Club

A comparatively new organization at Hughes, the Varsity H Club, was started last year by Coach Alan Kindschy and Mr. Dwight Smith. The purpose of this club is to bring the boys of all sports together and to promote good fellowship and sportsmanship.

The H Club is composed of boys who have earned letters as team members or managers of the various sports. Membership in this club is an honor, denoting athletic ability and achievement in the realm of sports.

The H Club Sports Queen Dance in February was a huge success this year and has become an annual tradition. Each sport was represented by a queen selected by the boys of that sport. At the dance, popular vote elected Stella Nikias Queen of Sports.

Krueck Club

The Krueck Club, sponsored by Mr. Howard Grimes, has completed its second successful year at Hughes. It is composed of freshman and sophomore boys who have been recommended as outstanding school citizens by their respective grade schools.

The Krueck Club helped out in the freshman orientation program, and purchased a portable P. A. System which was used to publicize school events. Members made Slogans of the Week posters for display in the front hall and they sold pencils with the basketball schedule printed on them. One of the Krueck Club's biggest service projects was the donation of $178.24 to the Polio Fund.

Huzettes Club

A new organization at Hughes this year is the Huzettes Club, the feminine counterpart of the Kreuck Club. Charter members of the club were all freshmen girls who because of their outstanding record in elementary school, were chosen as members. Next year these girls will carry on as sophomores, and new freshmen will be admitted. Miss Audrey Schultz, sponsor, helps the members to aid the school and community, to develop personality, and to promote good citizenship, leadership, and friendship. Projects of the Huzettes Club have been making H-pins for freshmen on orientation day, selling Christmas cards for school and celebrating with a barn dance in December.

HI-Y

Hughes Hi-Y, sponsored by Mr. Paul Bowers, is a service organization affiliated with the Y.M.C.A. Its purpose is to maintain throughout the school and community high standards of Christian character. Membership is limited to a small number of junior and senior boys of outstanding character and leadership ability. George Feiler, President of Hi-Y this year was assisted by Barry Cors, Vice-President; Charles Biederman, Secretary; Bill Comley, Treasurer; and Charles Solsman, Chaplain. Hi-Y boys volunteered their services as dancers for the Hughes Band's show at the Mississippi-U.C. Game and as ushers for "The Tavern," the Christmas Concert and at the marriage lectures at the Y.W.C.A. Every week, several of the boys officiated as play leaders at Kirby Road School. Christmas candy was sold by Hi-Y for the benefit of the mite-box fund. The numerous activities included a trip to the County Home and a caroling party with Y-Teens, attending church services at various churches and a party given by Senior Hi-Y boys for the junior members.

Latin Club

Good Luck
Dick Kammann

The purpose of Latin Club is to create a better understanding of the language and culture of the Ancient Romans and its effect on our present-day world and to promote a feeling of fellowship among its members. Meetings are held monthly and are climaxed in June with a picnic in Burnet Woods. The programs include talks, plays, games, contests, and songs.

Each year at commencement time a book is presented to the highest ranking Latin student in the graduating class. The Latin Club also helps to make the Hughes Carnival a financial success.

Latin Club Executive Committee members are, standing, left to right: G. Conner, P. Siehl, J. Miller, E. Carroll — President, D. Kamman, A. Gerhart. Seated are D. Blersch — Treasurer, A. Fischer — Secretary, and P. Lodwick — Vice President.

French Club

French Club provides the opportunity for students of different classes to meet together and gain a broader understanding of the French language through songs, games, plays, and lectures. Miss Louise Bentley, sponsor of the club, aids the executive committee in planning programs for the monthly meetings which include parties at Christmas and Valentines Day and a picnic in the Spring. French Club members showed their charitable spirit during the holiday season by sending two CARE boxes to France and selling novelties for the Hughes Christmas fund. By corresponding with students in France, many French Club members are doing their part to promote better international understanding.

Officers of French Club are, left to right: Bill Jacobs, Treasurer; Eric Weise, Vice President; Winnie Bowman, Secretary; and Betty Diettert, President. Executive committee members not in the picture are Imogene Rencher, Shirley Barrett, and Roberta Robbins.

In a city with such a large percentage of the population of German origin, it is natural for many students to want to study the German language. At Hughes, the German Club provides students of this language with the opportunity for learning more about the customs, geography and culture of Germany. Members of this club, assisted by Miss Jannet Schenk, sponsor, enjoy singing songs and playing games in German. An annual event of the German Club is a spring picnic at Burnet Woods. Sending a CARE box to Germany and collecting tax stamps for a phonograph were among the worthwhile projects assumed by the German Club this year.

Officers of German Club are, left to right: John Insbrucher, Treasurer; Carol Smith, President; Angela Zuber, Vice President; and Catherine Muraoka, Secretary.

Students of home economics may further their understanding of this important subject by joining the Home Economics Club which is sponsored by Miss Ruth Helman and Miss Elizabeth Zorn. Besides gaining knowledge, members become better acquainted with one another and have good times together. Clothes were collected for "Save the Children Federation" and Red Cross gift boxes were filled by the Home Ec. Club. Before Christmas a committee of eleven girls visited the County Home where they decorated one of the wards and served refreshments to its occupants. Several cake and candy sales have been held during the year by the Home Ec. Club, including one at Christmas time to make money for the mite box fund.

Miss Hazel Koppenhoefer
Faculty Advisor

The Hughes Gargoyle was one of the three high school newspapers in Ohio to receive a first class rating from the Columbia Scholastic Press Association. This was the result of many hours of hard work by the staff members. Each year page editors are chosen from among the juniors in Miss Hazel Koppenhoefer journalism class. The juniors who edited pages this year were Marlene Nolte and Ina Garber, Front Page; Naomi Mathie, Second Page; Don Templeton, Third Page, and Sylvia Plost and Beverly Borman, Fourth Page. Each Wednesday these editors work on layouts and headlines. At the same time reporters, columnists, and senior advisors write, count, and type copy, and the business manager takes charge of all advertisements and financial matters. Miss Hazel Koppenhoefer sees that the paper maintains its high standard and meets the deadlines. The Gargoyle has done an excellent job of reporting news of interest to Hughes students.

Hughes A Cappella Choir under the direction of Mr. Bob MacSpadden comprises a fine group of people with many and varied talents. These many talents have helped to put the Hughes Choir on the top. Among the highlights of the choir's first year under the direction of Mr. MacSpadden, was the Christmas Concert with the Cincinnati Symphony Orchestra under the direction of Dr. Thor Johnson. This was the first time that any high school choirs have sung with the Symphony for the regular series concerts. Walnut Hills and Hughes were the high schools that participated with soloists who were alumni of those schools. The Christmas Concert at school, Parent's Night, The Thanksgiving and Easter Auditoriums, the May Festival and the Merry-Go-Round were other high spots of the year. The entire choir participated in the "Merry-

Orchestra

The Hughes orchestra is an organization designed to promote musical interest and ability among the student body. Mr. Edward Graening, who is new to Hughes this year, has carried on the tradition of Dr. John Molnar in spite of the losses of so many orchestra members in last year's graduating class.

By its performances in the Christmas Concert, Spring Concert, assemblies, and at Commencement, the orchestra has fulfilled its purpose well. Also, selected orchestra members comprised the presentation orchestra for the Variety Show. Officers of the orchestra for 1949-1950 were Connie Kiradjieff, President; Polly Adams, Vice-President; Carol Walter, Secretary; and Myron Bennett, Librarian.

THIS MEMORIAL
OF

Having completed a very successful season, the Hughes Band has brought many honors to Hughes. School spirit reached a high peak at pep meetings and football games when band members displayed ingenuity and enthusiasm in their playing and marching. An experience which will long be remembered was the Hughes Band's performance at the University of Cincinnati — University of Mississippi Homecoming football game at Nippert Stadium. Using the theme "America Dances" the band formed a banjo for the waltz, a square for square dancing, and a juke box for jitterbug, using students to demonstrate these dances on the field. At the P.H.S.L. Double Header, Shirley Zentgraf was crowned Band Queen by Drum Major Jerry Crowe.

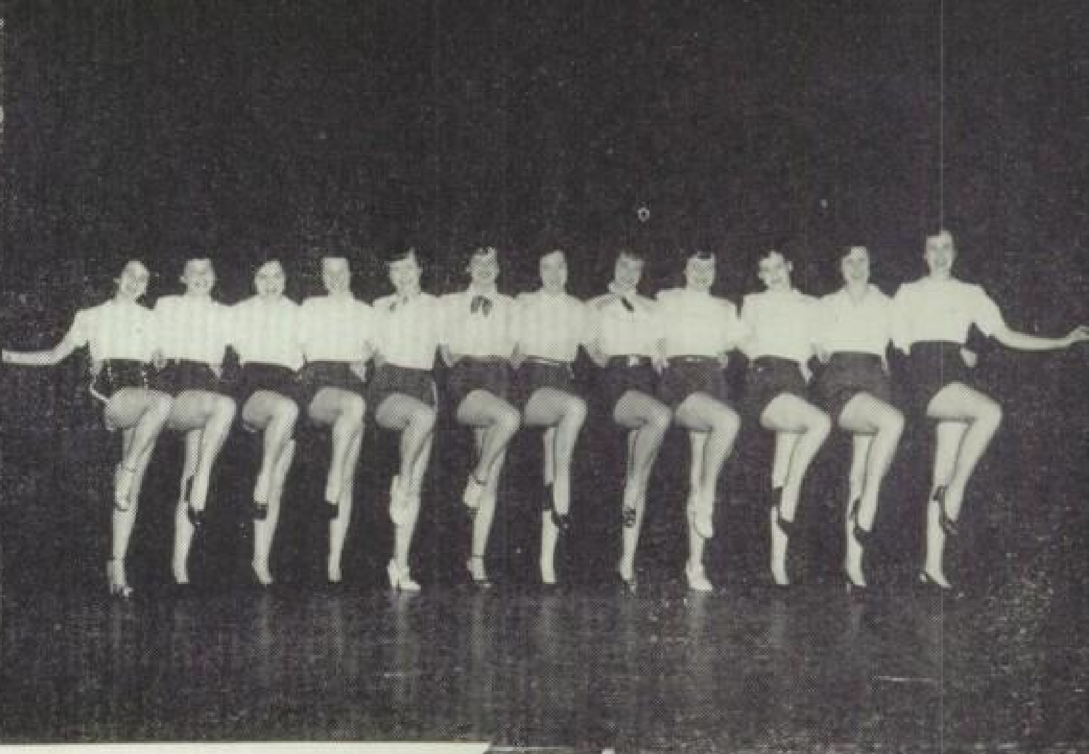
Outstanding among the many novel formations used at various foot-all games was a large letter H formed at the Withrow game. Each and member released a pigeon or a balloon, thus making the H se into the sky. The Hughes Band was one of the featured bands the Balloon Parade in November and the Memorial Day Parade May. Showing its versatility in concerts, the Band made a hit ith "Sleigh Ride" and "The Night Before Christmas" at the Christas Concert and also at the Spring Concert. Twelve soloists and ree ensembles represented the Hughes Band at the Southwestern hio Music Contest at Oxford on March 17. Of these, nine soloists nd two ensembles were eligible for the State Finals at Columbus n April 22.

Mr. Rea Brown, Director



Amid the hustle and bustle of high school life, students find time for diversion in the field of fine arts. Music, being queen of the arts, naturally lends itself to expressing sublimely the emotions. By participating in the band, orchestra, choirs, glee clubs and musical productions such as the Merry-Go-Round and the Carnival, students gain musical experience and have an outlet for their artistic feelings and desires.

Fraternities

Sororities and fraternities were the topic of conversation as students flocked back to school this past fall. The organizations, confronted with the problem of deciding whether to comply with the school board or not decided to conform with the school regulations. Thus the "Greeks," under the capable supervision of Miss Hazel Koppenhoefer and Mr. Paul Bowers, were introduced to the social life at Hughes.

An Interfratority Council, with Ann Cors, a Tausia, as its president, was established to settle any difficulties that might arise during the year. Plans were drawn up for a mid-year rush season and the sororities and fraternities prepared to "wait" until the eventful day.

Exams came and went, and the prospective members signed up for the clubs of their choice. It was a hectic time for all, for there were invitations to be made, entertainment to plan, and food to prepare. But just on the side, it was worth all the trouble. There was quite a variety of parties, ranging from picnics to breakfasts, as the clubs attempted to meet their new rushees. As the season progressed, the sororities and fraternities began their cutting process in preparation for sending out the final bids. At last the long-awaited and sought-after bids were distributed, and the 1950 rush season came quietly to a close.

FOOTBALL

The 1949 football season, while not exactly a bright spot in the Hughes football annals, was satisfying in the sense that it is the stepping off point to great seasons to come. This point is proven by the great showing of such sophomore stars as Jim Sprague, Dick Knorr, Cal Gladdin and others. In fact and theory, the Hughes football cycle is rising and the future will see great Hughes teams that will equal or better the performances of the immortal teams that have dotted our history. In inheriting our team, Coaches Reuss and Jones have also inherited the perennial problems of lack of a suitable practice field and the absence of a playing field which we can call our own. The hard, sunbaked and dust covered surface of Coy Field, has caused the Big Reds more than their share of injuries, bumps and bruises. Lack of a home field has also caused undue strain on the coffers of the athletic fund. The cost of equipping and outfitting the football teams has to be taken care of almost entirely by student subscription, in the form of "Athletic Books." Despite these handicaps, as you look back over the '49 season, you find that the Hughes players have given their best efforts to make Hughes feared by her rivals, and achieve a proud position in Cincinnati football. Coach Reuss found ten seniors worthy of wearing the Hughes football emblem. Captain Ed Morris, Jerry Bittner, Leonard Bonomoni, Stan Mosier, Earl Putman, Paul Roemer, Robert Kane, Donald Neuman, Rick Marrs and Robert Wolf earned their letters.

BIG RED LINE "HOLDS THAT TIGER"

New Coaches Take Over Big Reds

The Big Reds changed football coaches a week before the Public High School League's "Pigskin Prevue," as a result of the appointment of Coach Paul Bowers to the helm of the fraternities at Hughes. Robert Reuss, affectionately called "Mayor," and who is the Mayor of North College Hill, and was assistant to Mr. Bowers, was made head coach, and Morgan Jones, freshman coach, and former football coach at Springfield, Ohio, was appointed as the "Mayor's" assistant.

After getting off to a slow start, the Hughes' Big Reds ended in a three way tie with West Hi and Withrow for first place in the P. H. S. L.

Hughes enjoyed one of its best seasons in recent years, winning five and losing five of the toughest schedule of any school in Southwestern Ohio. Jerry Bittner was named first string guard on the Cincinnati Post's All Star Team, and Capt. Ed Morris was first team tackle on the Times-Star's All Star selections. Columbus North gave Hughes its first defeat, running up a 25 to 6 score. Purcell then handed the Big Reds their second defeat, a 62 to 6 setback. Undaunted by the stinging defeat, Hughes swept back stronger than ever next week, to upset a big and powerful Washington Courthouse team, 25 to 0. Hughes fell to a highly rated Roger Bacon team, the following week, 25 to 6. At the end of the season, Purcell was rated fourth in the state and Bacon was fourteenth. Next, an early score by Elder proved too much for Hughes, as the Big Reds fell, 7 to 2. The Big Reds retaliated the following week, beating Woodward, 12 to 6, in a pouring rain.

Hughes once again was underdog to a strong Western Hills eleven going into the Public High Doubleheader. However, when the final gun sounded, the Big Reds had emerged 32 to 13 victors. Walnut Hills was next for the Reuss-men, and the Eagles succeeded in holding the Red Wave to a 6 to 6 intermission deadlock, before succumbing to a powerful second half Hughes drive, which left Walnut on the short end of a 20 to 6 count. Two long runs featured the game. Cal Gladdin jaunted sixty yards after catching a short pass, and fleet footed halfback Bob Wolf sprinted eighty yards for the final score.

A confident Withrow team proved just too strong for the valiant Hughes aggregation as they romped to their third consecutive victory in the long and hard fought rivalry between the two schools. They emerged with a 32 to 13 triumph over their arch rivals from the Clifton Palace. Hughes marked finis to the '49 season by soundly trampling Central Vocational, 32 to 7. Rick Marrs highlighted the game with a sixty-five yard dash through the entire Central team. All the senior gridders showed well in this, their final high school game.

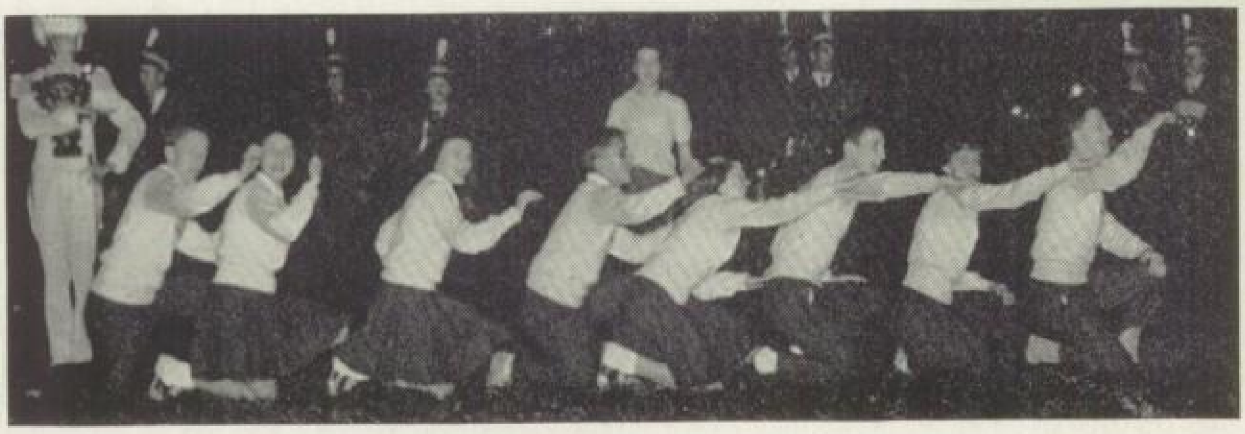
SPIRIT

Student cheering at the games is an integral part of the athletic program. It gives the non-participants a chance to show their school spirit, and to assist in their team's victory, for vocal support from the crowd can make a team play well above their ability. Each year, two sophomore boys and two sophomore girls are chosen to serve as cheerleaders. They will wear the colorful red and white uniforms during their junior and senior years, and direct your cheering, on the field and on the court. This year with the help of Mr. Rea Brown, the band director, we have a series of band cheers that will add volume as well as harmony to our cheering.

Hello-o-o Withrow!



Starting the '49 season with only one returning letterman, Coach Alan Kindschy's harriers placed fourth in the city and fifth in the district. Led by Captain John Socol and Vincent Glover, the Big Reds put up a stiff fight to the last mile. Central had another excellent team this year. Since only two lettermen are graduating, Mr. Kindschy should have an exceptionally fine team next year.

Hard work and little glory describes the cross country team. The harriers start practicing early in the fall, running over rough courses of two and one half miles in Burnet Woods each day after school.

BASKETBALL

The Big Red cagers were rather an unknown quantity throughout the entire season. Rated as the "Dark Horse" of the P.H.S.L., they immediately grabbed the league lead, only to relinquish it near the end of league play. Hughes tamed the Tigers of Withrow four times, once in a Polio Benefit performance, took two games from Central, split series with Woodward and West Hi, then lost two games, by whopping big scores, to Walnut Hills. Seven boys, kept over from last year's squad, formed the nucleus of the team which, under the astute leadership of head mentor, "Burley" Grimes, compiled an overall record of twelve victories and ten defeats for the season. Hughes finished third in the P.H.S.L., just behind Western Hills and Walnut Hills. Years ago, any Hughes season would be termed successful, no matter how bad it was, if we defeated Withrow. According to these standards, the four victories over the Tigers makes the 1949-50 season an extraordinary one. But the rivalry has degenerated to a nominal one, and we have to consider the merits of the whole season to determine if it is successful or not. A record of twelve wins and ten losses, coupled with the winning of the Norwood Invitational Tournament, during Christmas time, shows a definite upward trend in Hughes basketball fortunes. The Big Reds were eliminated from the District Tournament, in the second round, by the Purcell Cavaliers, who have an undisputed claim on the unofficial city crown. The Clifton Cagers' record cou'd have been different. Although they won many games by a small margin, they lost quite a few under the same circumstances. Rick Marrs was the high scorer for the team this year. Rick poured 197 points through the net, to place himself up among the first ten in scoring in the city, and was voted on the All-City basketball squad. Paul Kuennemeier, with 155 points is next on the Hughes scoring parade, with Tom Greenlee next with 151, and Charlie Thomas, who made 103 points, rounds out the Big Reds who broke the century mark in scoring. Al Janszen, Ron Venables, and Larry Williams just missed the one-hundred point mark. Janszen had 98, Venables, 95, and Williams scored 88. Next year, the Big Reds lose the services of seniors, Rick Marrs, Al Janszen, Paul Kuennemeier, Charlie Thomas, Irv Bass, and Will Oldendick. Juniors, Tom Greenlee, Don Moormeier, and Ron Venables, teamed up with Sophomores, Larry Williams, Robin Freeman, and Roger Hansel, will form the nucleus of next year's squad, along with boys from a spirited reserve team, that won ten and lost six.

SWIMMING

A strong Hughes swimming team turned in many sterling performances while splashing their way into the runner up spot in the PHSL, third place in district competition, and sixth in the state. The Big Reds finished second only to Walnut Hills which presented one of the strongest squads ever to compete in this part of the country.

Hughes, in compiling a total of 117 points for the three city meets, left West Hi and Withrow trailing vainly in Red spray.

Co-captains Russ Dunn and Ed Levy formed the nucleus of a team which featured such potent performers as Don Rosenthal, Art Mussman, Paul Roemer and Dick Rosenthal.

A very promising Junior team also finished second to Walnut Hills and these boys coupled with the skillful coaching of Mr. Kindschy will undoubtedly guarantee Hughes a successful team next year.

GYM TEAM

For the fourteenth consecutive year, the Hughes matmen took undisputed possession of first place in the P.H.S.L. With the expert coaching of coach Paul Richert, the Big Reds won all their meets by a large margin. They captured their first meet by netting 70 points. The second city meet saw the Big Reds gain a total of 63 points. Hughes received 64 points in the final meet of the P.H.S.L. season. A grand total of 197 points was compiled for the year. Walnut Hills was the closest rival, with 58 points for the whole season. Hughes totaled 71.5 points to walk away with the Turner meet and 60 points to win the Y.M.C.A. meet. The reserves clinched the championship for the third straight year. A total of 186 points was compiled, while Walnut Hills captured second place with 89 points for the season. Next year, coach Richert will lose the services of Captain, and high point man, Bill Comley, Ray Shepherd, Mel Durham, Don Neumann, and Vince Glover. The chances of making it fifteen in a row, next year, will depend on the showing of holdovers, Harry Mathias, Jackson Davis, Don Pirrman, Joe Restle, and the members of the city champion junior team.

Al Janszen Slugs One Out At Crosley Field

Hughes was fortunate, last year, in having one of the finest prep aggregations ever to step onto a baseball diamond. The Big Red baseballers captured the City, District, and State crowns, as they won 30 of 31 games in the 49 season. The team was a coaches' dream, with every position ably filled with a polished veteran, a large mound staff, of fast and crafty hurlers, and a bench full of able reserves who could step in and take the place of any regular on the team.

The champs could boast of a team batting average of .351, and three no-hitters, including a perfect game, pitched by Al Janszen against Woodward, which we won, 29 to 0. Hughes won the State Championship on a 14 to 0, two hitter against Lakewood High, pitched by mound ace, Larry Hoover, who had eleven of the thirty Hughes victories, against no losses.

Coach Ruess' charges suffered their only defeat at the hands of Western Hills, '48 State Champs, whom they had defeated before, in the '49 season. This defeat cut Hughes' victory string at twenty-two straight, and cost them half of the city crown. As would be expected, major league scouts trained an eye on the Clifton Clubbers, and one New York Yankee scout even went so far as to compare the Big Reds favorably with American Association League teams. Most of the boys who graduated last year from the team have tried, and proved successful at playing professional baseball.

The team has been broken up, somewhat, by graduation, but the "Mayor" has gotten together quite a good team this year. His starting outfield this year, kept intact from the '49 season, had Rick Marrs, one of the best ballhawks in the state, and a very dangerous hitter, in center, Al Janszen, who led the team with a .409 average last year, and who is also the ace of the mound staff, patrols left field when he is not pitching, and Bob Borchering, a hard man to fool at the plate, a powerful hitter and who also takes his turn at the mound, was in right. Ed Morris, the number one reserve, last year, performed regularly in the garden, replacing Janszen and Borchering when it was their turn to hurl. "Easy Ed" is a dangerous hitter, and will get on base, even if it means getting hit by the ball.

Don Hines, a wise catcher, and a mean man with a stick was the regular backstop in '49, and repeated this year. Very few present day teams can boast of a catcher who knows what to do with a baseball bat when he is up at the plate, like Don does. Irv Bass, at shortstop, is the last of the holdovers. His ascendancy to Jim Dooley's spot cannot weaken the team in any way, as he and Jim fought an allout battle for the post, last year, but the fact that it was Jim's final year was the factor that kept Irv on the bench. Joe Heckler, Ron Venables, Jack Weiss, Robin Freeman, Bob Wolf, and Ed Schott moved up from the reserve team to fill out the varsity, and all have served Hughes well in the national sport.

TRACK

Coach Richert, starting off with a fine nucleus of boys, back from last year's track team, fielded a squad that was one of the better teams in Southwest Ohio. This year's Co-Captains were Earl Putman and Mel Durham. Putman is the Ohio State Class A shot put champion. Earl first won the title last year, as a junior. "Little Earl" as he is called, is also one of the better discus men in the state. Mel Durham, the other Co-Captain, proved himself to be the best pole vaulter in the city. Last year, Coach Richert lost some key men, by graduation. Jack Heineman, one of the best long distance runners in the state and Walt La Fary, a fine shot put and discus man were the two main losses. Other boys who graduated were: Harry Stoller, Ronnie Schwartz, Jack Wheeler, Jerry Plotkin, Norm Maybrier, Ronnie Ebel and Don Wahle. Undaunted by this loss, Mr. Richert groomed a fine group of boys to take their places. In the field events, Paul Roemer, Cal Gladdin, and Bob Eppler gave Putman top-notch support in the shot and discus. Jack Culbertson teamed up with Co-Captain Durham to form one of the best pole vault teams in the state. Jerry Koch and Bill White represented Hughes well in the broad jump. In the way of dash men, Tom Nussbaum and Jerry Koch were our best in the 100 yard dash. Both these boys did the Century last year. Koch and Nussbaum also ran the 220 yard dash for the Big Reds this year. Ronnie Byrnside, Neil Hart, Koch and Nussbaum teamed up for the short relays. The longer distances were handled by Bill Richmond and Bill White. Larry Max set the pace in the 440 yard run. All in all, Track at Hughes is fast becoming a popular spring sport. Its many scopes present an array of boys with a variety of skills. It is an exciting thing to watch, but more thrilling to compete.

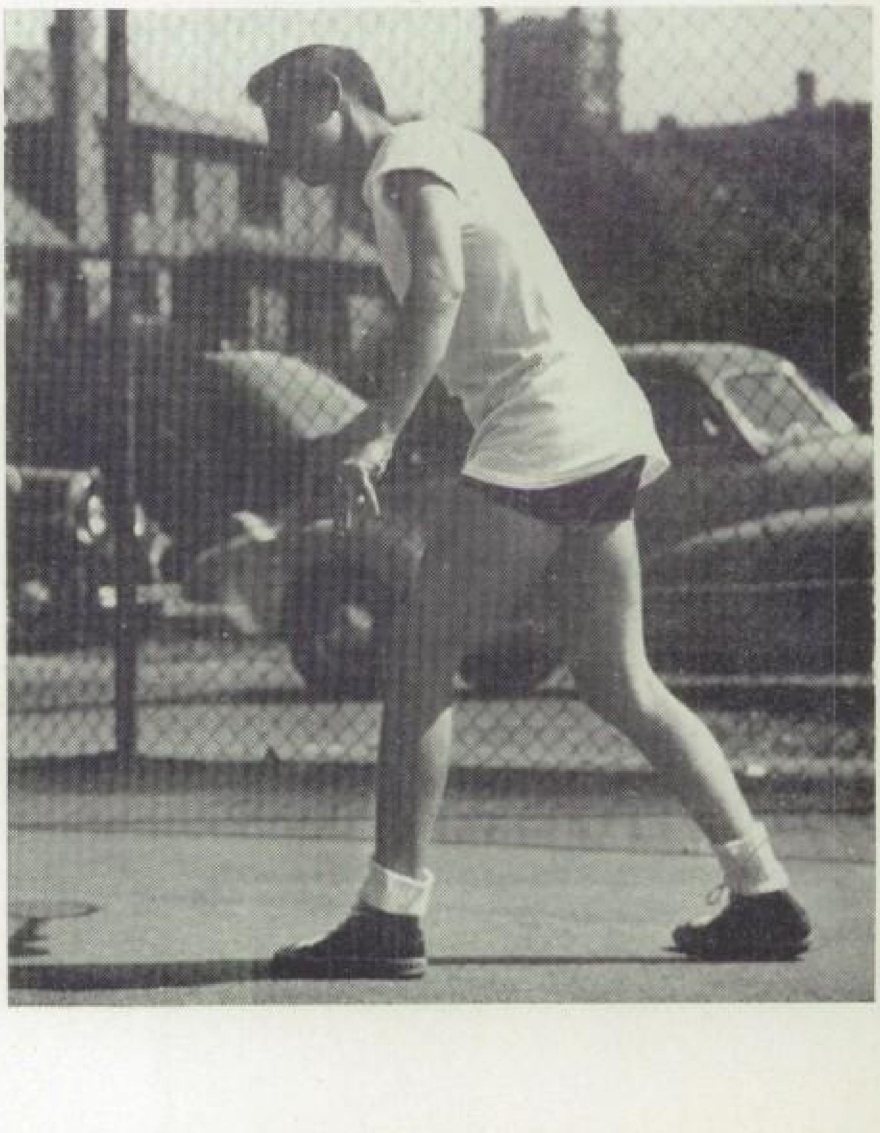
Although losing most of his first line players, Tennis Coach "Burley" Grimes still retained his last year's first singles player, Don Pilat, who was the only returning letterman on this year's team. Of all the schools in the area, Hughes was hit the hardest by graduation, but this year's Tennis squad showed well, despite the strength of its opponents. Pilat, rated up among the best in the city, was the mainstay of the team. The rest of the positions on the squad were filled by boys from last year's reserve team. George Feiler, Bill Goering, Bruce Doerr, "Rollie" Sharrock, and Bill Friend were the boys who moved up to fill the varsity posts. Bob Harris, in his first year out for the team, also saw plenty of action. Ineligibility also gave the squad a hard knock. Several good tennis players in school were unable to play due to scholastic deficiencies. Coach Grimes' charges worked out at the Coy Field courts, and cries of "Deuce" and "Love" could be heard from Mid-March until the latter part of May. A fine reserve team, composed mostly of freshmen, will furnish Coach Grimes with good varsity material for the next two or three years.



Coach Morgan Jones' golf squad had a fairly successful season this year. Two lettermen were held over from last year's squad. They comprised the nucleus of the team. Bob Keir, a junior, who has been on the team since his freshman year, won his letter last year. He gave much help to the team with his ability to burn up the golf links. Wayne McClure, also a junior, was on the team last year and won his letter too. Wayne is a top-notch golfer and has been improving all the time. Another member, Dean Gaudin was on the team last year but did not earn enough points to receive a letter. He has been a great asset to the team this year. From this year's recruits, Coach Jones was able to field a well rounded club. Bob Keir, Wayne McClure, and Dean Gaudin gave the team enough experience for the Big Red Golfers to be rated among the top teams in the Public High School League, and in the Cincinnati Area. Practice started late in March and continued until the end of school. The boys do their practicing at Avon Fields Golf Course. Under the expert tutilege of Coach Jones, who is a Golf Pro in the summer. Next year's team should be one of the finest teams in our history.

The Cobbler Takes A Gander At G. A. A. Grandeur

The Cobbler's Dream Takes Hold On The Girls' Athletic Theme

G.A.A. through the years, has become one of the largest and most important girls' activities. It now has an active and paid membership of two hundred with participation of five hundred different individuals.

The organization, under the leadership of Miss Violet Balastra, has enlarged from a purely athletic minded group to one which includes many social and charitable activities. Having been organized in 1936-37 under the direction of Miss Jeanette Nurre and Miss Ann Kellner, its schedule then included dance club, swimming, hockey, centerball, volleyball, baseball, kickball, tennis, shuffleboard, deck tennis, track and field.

Over this period of years, G.A.A. has gradually dropped track, field and centerball and kickball, while basketball, tumbling, archery, bowling, badminton, horseshoes, table tennis, shuffleboard, deck tennis and riding club were organized.

In 1939, the girls held their first G.A.A. Annual Banquet and the first Hughes Honor Girl, Marge Hecker, was named. Last year, Janet Thielmeyer, was named the outstanding senior girl in G.A.A.

The first annual G.A.A. dance was held in 1945. This was preceded by the "Battle of the Sexes" which is now an annual basketball game between the girls honor team and the boys first team following the girls rules.

In short, G.A.A., with the enthusiastic aid of Miss Jeanette Nurre, Miss Violet Balastra, Miss Maud Suter and Miss Elsa Kramer, has developed into an organization which has a recognized place in Hughes. Its contributions to the life of the school and to its many members cannot be estimated; for besides the present experience in leadership, group participation, citizenship and fun, there are skills and characters being developed of lasting value.

G.A.A. "babys" join in the fun with "Murt" Tuttle and Stella Nikias at the Christmas Party.

Emma and Stella show Rick and Al they mean business in "The Battle of the Sexes."

The various G.A.A. activities can well be represented by such events as the annual Christmas Party, Battle of the Sexes, election of the G.A.A. Honor Girl and, of course, the impressive Initiation. All of these bring out otherwise hidden personalities and delegate responsibility to the most capable. If nothing else is absorbed from experience with G.A.A., the standards of fair play, and development of pleasing personalities will be just compensation.

Modern Dancers Transform Motion Into Art

A. Steinharter, J. Schweiters, R. Richmond, S. Nikias, P. Roberts

Moving into the aesthetic field, G.A.A. finds another mode of expression through modern dancing. This is a medium in which the body is taught an art. While poise and grace are the ultimate results, they are not the fundamental basis of modern dancing, nor are they the purpose. Under the very able instruction of Miss Jeanette Nurre, Terpsichorean art is not only a sport, but also a knowledge, a form of play, and a method by which new insight into the field of the arts is opened up for Hughes girls.

Hockey and Tennis Bring Hours of Smiles

The Hockey Honor Team is made up of girls who are individually outstanding and who are chosen each year from an entire group of girls competing for this honor. Their skill pays off in the annual Hockey Play Day, held this year at Western Hills High School. East Vocational, Withrow, Woodward, Walnut Hills, Hughes and Western Hills participated at this meet.

Tense Moments Come Before Battle

Lois Ahlenstorf and "Murt" Tuttle decide who will have the first serve. Spring arrives and with it come many days when such decisions will be made and consequently will be won and lost. But those girls who go out for the thrill and skill, for which this game is noted, are good sportsmen at all times.

Out of G. A. A. Versatility Comes Bowling,

Durban Lets Go For The Kill

Badminton acclaims for itself agility and coordination. Primarily, however, the Badminton girls comprise a group fascinated by the sport, not for the two exponents mentioned above, but for the good times and pleasures that are here involved. For the girls who find tennis a bit too strenuous and ping-pong too delicate, badminton, as a happy medium between the two, seems to supply a more than satisfactory answer.

BOWLING: Never underestimate the power of a woman. When it comes to bowlers they don't come much more powerful and certainly none are more accurate than the G.A.A. Bowlers. These girls are a mighty faction of G.A.A., for when they let go of a ball at Mergard's, the pin boy not only gets out of the way, but he hides. Captained by Beverly Bormann, the standard game is either ten pins down every time or the alley is burned up in the attempt. Such is the capacity of women.

An active group of girls who are rarely publicized is the G.A.A. Riding Club. Every Monday afternoon, the familiar stationwagon waits in front of Hughes for J. Marx, S. Wertheim, E. Goering, A. Benton, B. Diettert, P. Holdt, J. Schnike, J. Brown, M. Faigle, H. Hutzer, and J. Woodruff who can barely wait for the feel of a roly-poly horse. This year Hilltop Riding Stables had task of providing horses and of giving instruction on the skills of riding.

TUMBLING: The riders may be somewhat "the worse for ware," but they have nothing on those contortionists who enjoy getting into the oddest positions just for the fun of it. Nevertheless, they develop strong bodies and a few sore muscles. In the cut below, the agile tumbeleers are admiring the handstand which Pat Roberts is performing. To Pat's left is another comrade who seems to prefer headstands.

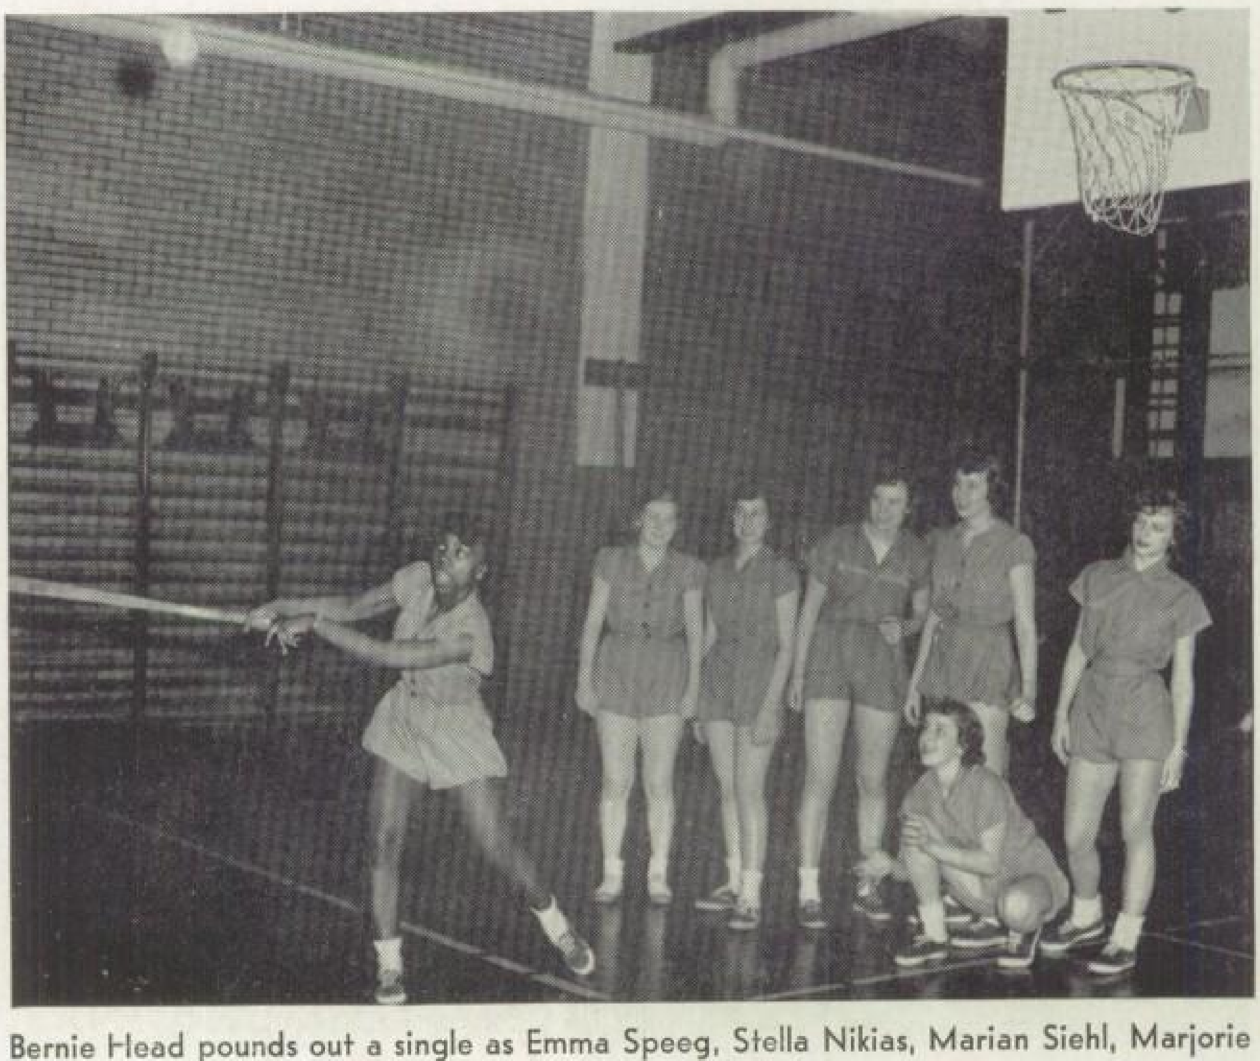
Winter Thaws And Spring Brings Baseball

The seasonal sports come and go, but G.A.A. always looks forward to the approach of baseball. It is a game which girls find comparatively easy to learn and consequently it is a means of bringing together girls of all races and backgrounds. That feeling of fellowship and unity which mingles among the boos and shouts of victory is spontaneous when it comes to an exciting baseball game. Coy Field, with its worn, chiseled face, yet remains the ever faithful grounds for the ball players, when winter thaws and spring seeps through the brittle atmosphere.



Bernie Head pounds out a single as Emma Speeg, Stella Nikias, Marian Siehl, Marjorie Siehl, Francis Linnemann, and Ann Dufner wait their turn.

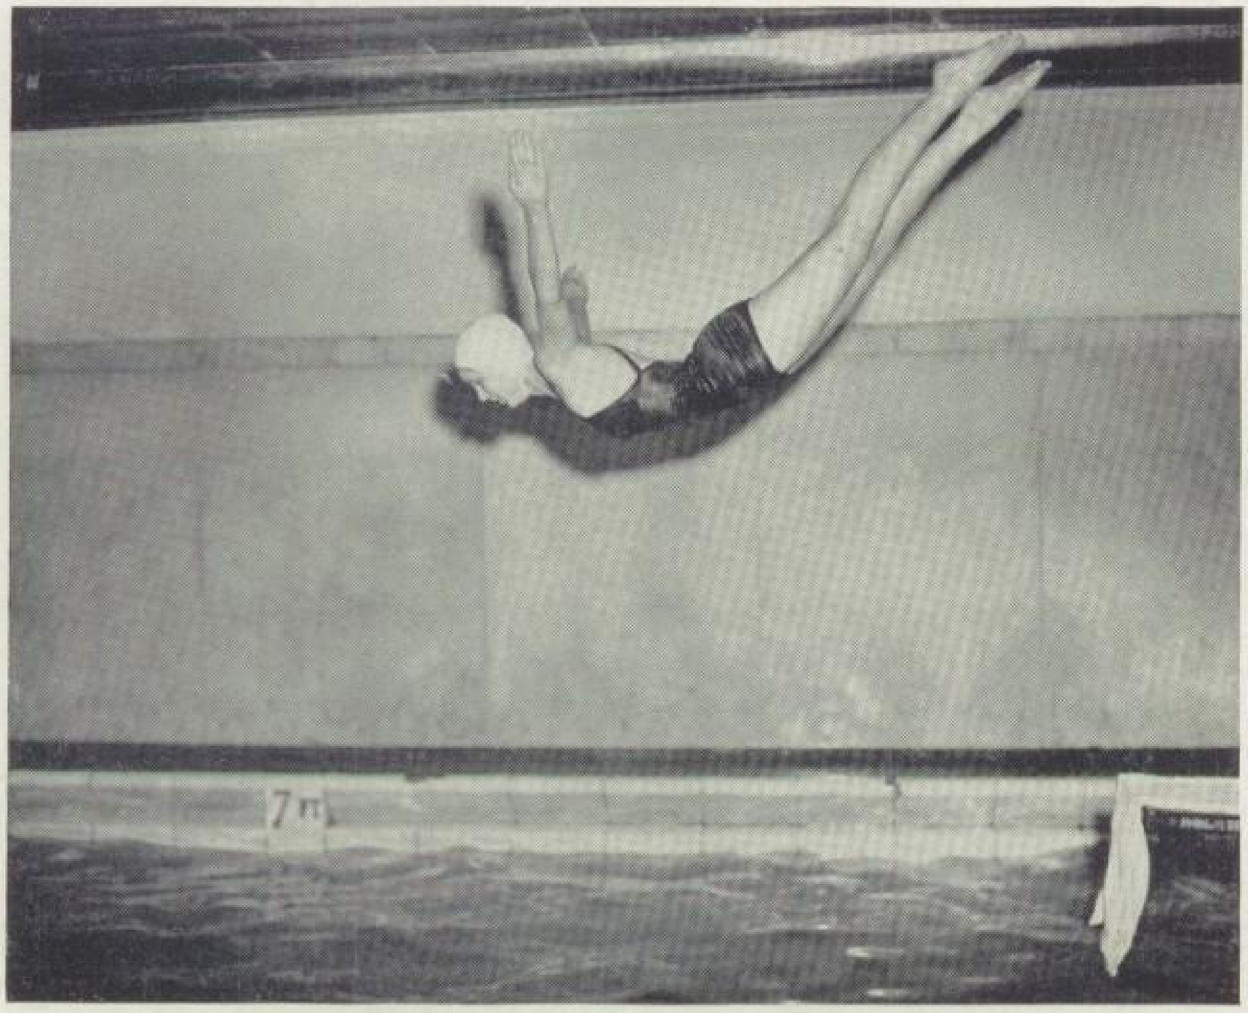
Our Hughes Mermaids Become Life Savers

Instructed in marine life by Miss Jeanette Nurre, swim-artistry gives these girls a chance to become competent life savers in a vast world of life preservers. Disregarding the fact that they are always all wet, the girls get so much fun from this sport that being in such a state is highly agreeable to them. Once a week we find our mermaids taking to the water in the boys' swimming pool, and during that time the pool gets a much deserved rest from all the shouting and turmoil stirred up by its male owners. The team's purpose this year has been to strive toward greater perfection in swimming technique.



"Smokey" Leaps Through The Air With The Greatest Of Ease

The Best In Sports

When G.A.A. is looking for fast action and plenty of skilled coordination, it needs only to consider its excellent basketball squads. Basketball is too often thought of as strictly a man's sport. However, it appeals just as much to the athletic-minded girls of G.A.A. who are ever striving to build strong, healthy bodies. Although, as yet, their is no competition with other schools, the girl basketeers never lack the opportunity to play their mixed squads or class teams. Toward the end of the basketball season an honor team is chosen which plays the boys in the Battle of the Sexes. This honor team also is given the privilege of participating in the basketball playday held in March.

Is Offered By G. A. A.

For pleasure, G.A.A. takes to the individual sports. In Archery, Shuffleboard, and Horse Shoes, girls learn the advantages to be gained from these relaxing afterschool contests. When it comes to Archery, our feminine Robin Hoods never learn to split arrows, but nevertheless they find satisfaction in the messes they make of Miss Nurre's archery targets. Shuffleboard is another game wherein girls learn the thrill of well-being which comes from friendly competition. However, when girls want to gain skill and accuracy, pitching horse shoes is the game which they follow, for there is something immensely gratifying in making a ringer from many variable distances.
